

## CONTINUE HEARING IN BUS TRANSFER

Application of P. R. T. to  
Take Over Local Line Set  
for March 5.

## DENY TAXI PURCHASE

Official sanction by the Public Service Commission to the formal taking over of the Montgomery Bus Lines in Lower Merion by the Philadelphia Rapid Transit Company was delayed this week when a hearing on the matter was continued.

At the same time denials were made by independent taxicab owners that the P. R. T. in connection with its bus consolidation, was also intending to take over various Lower Merion and Narberth cab companies doing business from Pennsylvania Railroad station stands.

The P. R. T. has long been generally understood to be in control of the Montgomery Bus Company, Inc., and early this month that belief was officially verified when the Mitten corporation made application to the Public Service Commission for permission to formally take over the local bus company, and also the Philadelphia Suburban Transit Company, whose Montgomery pike lines, the Montgomery Bus is operating under a 10-year lease. A hearing on these applications as well as on two others of the P. R. T. asking official permission to operate the Quaker City Cab Company, and the Doylestown and Eastern Motor Bus Company was scheduled for yesterday in Philadelphia City Hall, but was continued. The new hearing date set by the Public Service Commission was March 5, 10 A. M.

Due to a clerical error made in listing the applications, it was at first stated that the P. R. T. had asked permission to take over the "Philadelphia Suburban Cab Company" instead of the Philadelphia Suburban Transit Company. This led to the impression that the transit company had also acquired control of the Suburban Cab Company of Ardmore.

## MRS. BOBB B. DOWNES

Former Narberth Resident Dies in  
French Hospital.

Mrs. Bobb B. Downes, wife of Carroll Downes, formerly of Narberth, died Wednesday in a private hospital at Nice, France.

Ill for a number of months, Mrs. Downes went to Nice with her husband in an attempt to restore her health. A relapse occurred several weeks ago, her two children were called, and were at her bedside when death occurred.

Mrs. Downes was the daughter of Colonel Tom Bowers, a prominent Texas journalist, and was married to Mr. Downes September 23, 1896. During their long residence in Narberth both Mrs. Downes and her husband were active in local affairs.

Mrs. Downes was prominent in club work and in the activities of St. Paul's Memorial Church, Overbrook. Mr. Downes is a former burgess of the borough. Later he became identified with Durant Motors and rapidly rose to chief executive in a number of Mr. Durant's enterprises. He is now retired.

On leaving Narberth, the Downes purchased a home, "Bonfield Manor," at Oxford, Md., which was later destroyed by fire. Both of the children reside on the Main Line. Mrs. Roland T. Addis, formerly Miss Virginia Downes, lives in Rosemont, and Carroll Downes, Jr., in Narberth.

## SHOP OPEN EVENINGS

Beginning next Friday evening, February 24, the Patricia Elizabeth Shop in the Narberth Theater Building will be open thereafter on Friday evenings of each week. The Patricia Elizabeth Shop is a specialty shop carrying women's lingerie and hosiery and children's clothing.

## MISSION SOCIETY TO ASSEMBLE

The Women's Missionary Society of the Lutheran church will hold its monthly meeting at the home of Mrs. Albert, 302 Dudley avenue, at 2 P. M. on Tuesday, February 21.

## County Solons Raise Tax Rate One Mill in Spite of Protests

In spite of the stand taken by their own controller, who declared such action unnecessary, and despite protests from Lower Merion and Narberth, the county commissioners at a meeting in Norristown Wednesday raised the county tax rate from three to four mills for 1928.

Regardless of what taxpayers in these lower end communities may think about the action it was a good day's business for the county solons. At one stroke they added to their revenue for the current year the sum of at least \$252,134.10.

Of this amount, \$73,555.09 will come from Lower Merion, the richest single unit of the county. Another \$415.05 will represent Narberth's donation.

These figures represent only the additional money that the county commissioners will get on real estate alone, which under the new triennial figures announced this week at Norristown are \$73,555.087 for Lower Merion; \$415.045 for Narberth, and \$252,134.096 for the entire county. Several thousand dollars more will accrue from the per-

## Leads His Class

Sam Barclay, president of the Lower Merion High School, class of 1928, who was master of ceremonies at their first dance of the season which the seniors gave in the Junior High at Ardmore Saturday night. He is also president of the Hi-Y Club and the Athletic Association; was captain of the basketball team last year, and is a letterman in football, basketball and baseball.

## Reporter Sees Many Boroughites at Lower Merion Senior Dance

Narberth was very well represented at the senior dance at Lower Merion last week-end. Among the girls we noted (in the midst of an admiring circle of "boy friends") were the Misses Elizabeth Terry, Betty Cook, Ruth Lee Cook, Patience Wohler, Cynthia Metzger, Edith Maguire, Gladys Grover, Mildred Odiorne, Eleanor Michaelson, Ellen Shaw, Mary Anderson, Katherine Smith, Anne Mode, Ellen Pray, Martha Sunderland, Eleanor Knauer, Virginia Douglass, Anne Compton, with her weekend guest, Helen Brookhart, and Virginia Burgstesser. A few of the young men, who, by the way, looked quite handsome in their tuxedos, were Malcolm Forsythe, Jimmy Stevenson, Allan Clagborne, Harry Messec, Abe Lane, George Supplee, Bob Yealand, Francis Sunderland, Jack Cotter, George Bottoms, who won one of the prizes, Bill Dothard, Irving Dothard, Charles Mecke, Tom Elwood, Harvey Knauer, Robert Leitch and Richard Gillis.

Mr. and Mrs. W. H. Elsbree, of 321 North Narberth avenue, will entertain two tables of bridge this evening in honor of Mr. and Mrs. D. R. Perishich.

Miss Marion Miller, of 208 Sabine avenue, spent a few days in Atlantic City this week.

Mr. Charles H. Smith has returned to Cap May after a visit with his son, Mr. Charles H. Smith, Jr., of Montgomery avenue.

Mrs. George B. Mecke, of 19 Maple avenue, was one of the guests at the annual luncheon of the Philadelphia Musicales Club, which was held at the Bellevue on Thursday.

Miss Dorothy Miller, of North Narberth avenue, entertained a few friends at her home last Friday evening. The guests included Miss Louise Smedley, Miss Catharine Patton, Mr. Cecil Lipkin, Mr. John Eidenberg and Mr. Bertrum Doherty.

Mr. and Mrs. F. R. Crowell, of Barrie road, spent last week in Atlantic City.

## BANQUET RETURNS COMING IN SLOWLY

Firemen Disappointed at Poor  
Response to Mailings for  
Affair.

The Banquet Committee of the Narberth Fire Company expressed disappointment this week at the slowness of the returns on the tickets sent out for the coming affair.

Five hundred tickets were mailed on a "pay or return" basis, and to date but 100 responses have been received. The committee feels that many more are planning to attend, but have failed to report.

The event is to take place next Thursday evening and plans must be completed within a day or two. Fire Chief Noel said yesterday.

"We are planning an interesting program, a good feed and a pleasant social evening," Mr. Noel said, "but we must know at once how many are coming. Certainly 200 is not too many to expect, but the number will fall short of that if the folks don't respond at once."

"We wish that those who received tickets and who cannot attend would send them back at once so we may send them to others. Everyone who has attended one of these affairs has said it is the high point of Narberth's year. Let's make this banquet the best ever."

To date the speaker of the evening has not been announced, although it is probable there will be a number of short talks. Many notables in fire ranks hereabouts are expected to be seated at the tables, in addition to leaders in Narberth's civic life. Any Narberth man is invited and urged to attend.

## ASSESSORS TO SIT TO ENROLL VOTERS

Will Be at Polling Places  
Next Week for Primary  
Registration.

Registry assessors in Lower Merion and Narberth will sit at their respective polling places next Tuesday and Wednesday to enroll voters in their districts who wish to cast ballots in the primary on April 24.

The fact that the second of these days is Washington's birthday and a legal holiday will not interfere with the schedule for the Legislature in making up the election calendar ignored that matter.

On both days, February 21 and 22, the assessors will sit from the hours of 10 A. M. to 3 P. M. and again from 6 to 9 P. M.

Old residents who voted last year and are content with their present party affiliations need not bother about this registration, for their names will automatically be carried over on the list of eligible voters for the primary. The registration will principally be to take care of those who changed their residence during the year, or who wish to change the party affiliations or who were not previously registered.

## HEATING COSTS CUT

An example of efficiency that the borough has introduced is the new heating system in the community building. An oil-burning heater was recently installed, which effected a fuel saving of \$144 for the month of January, 1928, over January, 1927. The cost of heating the building by gas in January, 1927, was \$224, while this past month by oil the cost was only \$80.78.

## BORO MERGERISTS FORM COMMITTEE

Seek Better Schools, Lower  
Taxes—Burns Heads  
Group.

## STIR NARBERTH ANEW

The desire of a group of Narberth residents to merge the Borough with Lower Merion Township, expressed last fall in letters, has taken new life with the formation of a body known as the "Better Schools—Lower Taxes Committee."

Arthur W. Burns is listed as acting chairman of the group. He was one of those instrumental in removing the upper grades of the Narberth schools to Lower Merion, and has long been known as a foe of Narberth's independence as a political entity.

The publication of advertising and correspondence this week is stated to be the "opening gun" of an extended campaign. The published material bases the movement to destroy the borough on statements that Lower Merion has better schools with less taxes, and that the township enjoys equally good government at a little over half Narberth's cost.

The agitation has been current for a number of years—in fact the movement to kill the borough started the day it was formed. This, however, is believed to be the first organized effort to blend Narberth's square mile of autonomy with Lower Merion.

## BUILDING AND LOAN TO ISSUE NEW SERIES

Association Has Prospered in Past  
Year.

Preparations are being made by the Narberth Building and Loan Association for the opening of their new series on Thursday evening, March 1.

A full report of the activities of this association will be published in the next week's issue of "Our Town," and from the preliminary figures it shows that the association has greatly prospered during the last year and its assets have increased over \$100,000.

Many of its stockholders were fortunate enough to participate in the maturity of the four series that were ended during the past year and as over 1000 shares were matured it is expected that a great many of these stockholders will replace their matured stock by taking out new shares in the forty-fifth series which is about to open.

The building and loan plan of saving is evidently a popular one as new associations are being organized in great numbers and when these associations are run honestly and carefully, there is no better way of investing savings. The Narberth Building and Loan Association has been in operation over 21 years and is checked up and audited by the Bank Examiners from the Pennsylvania Department of Banking at Harrisburg, and in addition by a committee from the stockholders who make a careful audit of its accounts each year.

That its reputation is of the best is demonstrated by the fact that its stockholders carry more than 11,000 shares, paying into the association about \$20,000 each month in dues.

Any of the officers or directors of the association will be glad to explain the building and loan idea and subscriptions for the new series can be given to any of the directors or left at either of the Narberth banks.

## DAY OF PRAYER SET

The women of the world will observe February 24, 1928, as the annual day of prayer. The call to prayer has been issued by the council of women for Home Missionaries and the Federation of Women's Boards of Foreign Missions. The program for the day has been translated into many languages, making it possible for the women of all nations to participate. Narberth women will assemble at the Presbyterian Church at 2.30. All women are earnestly invited to attend.

## COAL MERCHANTS CONFER

Main Line Dealers Are Guests of Narberth Coal Company.

The Main Line Coal Exchange held an enthusiastic and interesting meeting last Wednesday afternoon at the office of the Narberth Coal Company. Mr. Dunne, the president of the exchange, presided. Representatives of the following companies were present: L. M. Thompson, Cynwyd; Joseph M. Cranston, Cynwyd; Narberth Coal Company, Narberth; Elmer Alt-house, Gladwyne; Smedley and Mehl, Ardmore; George B. Newton Co., Ardmore; William H. Ramsey, Bryn Mawr; Calloway Coal Co., Upper Darby; Mehl & Latta, Rosemont; C. A. Lobb & Son, Devon; Great Valley Mills, Paoli.

Many subjects of particular interest were discussed, relating chiefly to the problems confronting the coal dealer.

## SHIRLEY ROAD IS DEEDED TO BORO

Haverford Avenue West of  
Essex May Be Paved,  
Report Shows.

## RAILROAD HAS VETO

Costs to the borough for street repairs may be heavily increased due to the new bus route on Wynnewood road, the report of the highway committee reveals. The street is not in condition to stand the wear the busses would make on it, and the chairman seeks means of ascertaining ways by which the bus company could be made to stand part of the cost.

Among other things the report showed that negotiations were under way with the Pennsylvania Railroad relative to paving Haverford avenue from Essex to Wynnewood road, and that Shirley lane had been accepted by the borough as a public street.

The complete report of the highway committee follows:

During the month property owners on Haverford avenue, west of Essex, and other taxpayers in that vicinity have strongly urged this committee to push forward, this year the paving of that section of Haverford avenue. It appears to be the desire of these citizens that permanent paving should be extended westerly at least as far as Conway avenue and probably all of them would be in favor of continuing on the eighth page

## L. M. SCHOOL HEADS LEAD DISCUSSION

Questions of Parents Covering  
Wide Range Answered by  
Principals.

More than 150 parents of Narberth school children, including a goodly number of fathers, thoroughly enjoyed a lively discussion of high school problems, led by Principal C. B. Pennypacker, of the Lower Merion Senior High School, and Principal E. H. Snow, of the Lower Merion Junior High School, at the regular monthly meeting of the Narberth Mothers' Council, at the local school, on last Monday evening.

Contrary to the usual custom, written questions, deposited by interested parents in a box at the door, formed the basis of discussion. The questions ran the gamut of school problems, from the quality and quantity of food available to sophomores at the Senior High School cafeteria, to the reason for relatively low marks in specific subjects; from the disadvantages of high school fraternities, to the undersirability of social engagements on school nights; from the value of dramatics and other extra-curricular activities, to the amount of freedom allowed to students during school hours; from the problems of discipline, to the possibility of giving more attention to individual students and less to subject matter.

The meeting culminated in an illuminating analysis by Principal Pennypacker of the causes of

## NASH OFFICE FATE YET UNDETERMINED

Meaning of Temporary Permit  
Is Moot Question at  
Council.

## TAXPAYERS PRESENT

The meeting of the Borough council on Monday evening, February 13, turned out to be a strenuous affair. Judging by the attendance public interest in local affairs seems to have been stimulated. Perhaps it was the hearing on the street widening ordinance that did it. At any rate several residents listened attentively throughout the session, and others brought their views before council.

At the opening of the meeting a resolution of sympathy on the death of the former president of council, W. R. D. Hall, was read by Councilman Kaerber, and entered in the minutes.

The chief bone of contention of the meeting arose when Robert J. Nash asked Council what course of action he could follow in his office alteration. The work was stopped recently when almost completed because the new position was still in violation of Borough ordinances. Mr. Nash held that a temporary permit to have the work done had been granted.

The word "temporary" was constructed to mean until the Pennsylvania Railroad was ready to carry through to completion their plans for a new station, the first step of which was the removal of the freight station to Wynnewood.

The precedent for a temporary building permit was set with the erection of the additional shelter shed on the south side by the railroad authorities. That was in the interest of public welfare and a similar construction was placed upon the temporary permit issued for the moving back of Mr. Nash's office. It had long been a dangerous traffic hazard and its alteration, if not removing the condition completely, at least materially lessened it.

In order to conform to one ordinance the office should have been moved 10 feet back from the curb. This was impossible to do as it would have blocked the path and entrance to the living quarters of the house attached to the station.

The question on which the whole matter hinged seemed to be what was meant by a temporary permit. The building is doomed eventually as it must give way when the railroad carries through its station program. A question which occurred was whether Council might not better remove the building completely now when it had the chance, compensating Mr. Nash for the alteration costs. It was decided that Mr. Nash should complete his alterations inasmuch as they are practical.

## POST PLANS SMOKER

Old Timers' Support Wanted on  
February 27.

The Harold D. Speakman Post has planned a general "Get Together" meeting to be held on their regular meeting night, Monday, February 27. This is to be featured by an interesting program of entertaining and speaking coupled with plenty of eats and smokes.

A special effort is being made by a committee composed mostly of "old timers" to get all the old members, as well as the new ones, to come out that night and instill some new life into our ranks.

Some of our former buddies have moved away since this post was formed, but there are still more than "forty and eight" of the old timers in town who have for some years past been gradually allowing the American Legion to slip into the background.

The post needs the support of each one of you, old and new alike, and your presence and suggestions are being depended upon. We want the pep and interest of old, so don't fail to show up at this meeting. Arthur Cook and an efficient entertainment committee will amply supply your needs.

## RADNOR WINS SWIM MEET WITH BREAKS

Lower Merion Comes Even in Week's Basketball Frays.

Radnor High School mermen surprised the Lower Merion natators when they splashed to a 32 to 27 victory in the second meet of the Suburban High School Swimming League at the Ardmore "Y" pool, in Ardmore, Monday.

This is the first time the ancient football rivals have clashed in a swimming meet—and both teams were out with the usual Lower Merion-Radnor spirit. The final score was close, but the races were closer and excitement featured nearly all the events.

Experts picked Lower Merion to win—its athletes were seasoned, having been in the league last year, and in all a well-balanced team. As for Radnor they were new to the sport and naturally lacked the grooming of long experience.

Lower Merion dropped both the 220 free style and 50-yard backstrokes, not by inferior swimming, but by mistakes. Dothard, of Lower Merion, who was dashing neck and neck with Trout, of Radnor, was disqualified when he stopped with but 20 more yards to go. He thought he had finished 220 yards.

Glenn, who was leading in the 50-yard back stroke by a comfortable margin, likewise left off 10 yards at the finish when he thought he had completed the entire distance. These two mistakes cost Lower Merion the meet—certainly a tough one to drop.

However, Lower Merion has not lost heart. She has a sturdy group of tankmen in Nelms, Dothard, Glenn, Alexander, Beatty, Fretz, Elmore and the Roach brothers and plans a return meet with the red and white. Berrian, Trout, Moore, Boles, Kather, Wynn and DeLattre carried the Radnor colors to victory.

During the past week Lower Merion's basketball five split even when it won an 18-17 victory from Upper Darby and lost a thrilling battle to Lansdowne by the score of 38-34. The Upper Darby contest was a league game and by winning Lower Merion still has a mathematical chance for the suburban crown. This game also marked the return to the fold of Warren Lockwood, Lower Merion's speedy forward. During Lockwood's enforced absence Lower Merion lost three games and won only one.

### PLEAD GUILTY, FINED

Pleading guilty to illegal possession of liquor, two Lower Merion men were sentenced by Judge Shull in Criminal Court at Norristown Saturday. They were William DeGives, sentenced to pay a fine of \$100, costs, and one year in jail, with jail sentence suspended if fine and costs are promptly paid, and Clarence Reed, of Ardmore, sentenced to pay the costs and serve five months in the county jail.

## THE MAIN LINE BANKING INSTITUTION

### Seven Keys to Anyplace

The seven necessary keys which will open the doors to anyplace in the world may be had from us. They are:

- Key One —Steamship Passages
- Key Two —Railroad Tickets
- Key Three—Airplane Tickets
- Key Four —Hotel Accommodations
- Key Five —Reservations for Cruises
- Key Six —Automobile Tours
- Key Seven—Traveler's Checks

By allowing us to supply all these keys for you, the inconvenience of working through many scattered agents is avoided. We shall consider it a privilege to not only hand you the keys to anyplace, but also to discuss the journey with you. This personal service is without charge.

## Food for Thought

There is no more reason to say "coal is coal" than to say "food is food."

The human body needs to find certain elements in food before it can be properly nourished. And the furnace in your cellar needs to find certain elements in the coal you feed it before it will respond with the right amount of heat.

Carbon is the principal heat-producing element in coal. So the coal that contains the most fixed carbon is naturally the one that will give you the most heat.

Since Jeddo-Highland coal contains a higher percentage of fixed carbon than any other Anthracite known, it will give you more heat per ton than other coal. Looks as though it would pay to burn Jeddo-Highland, does it not?

## Something unusual is going to happen at WAYNE

JUST one hundred and fifty years ago this winter George Washington and his troops were encamped between Wayne and Valley Forge. Nowhere else in America does the true spirit of Colonial times linger as it does among the picturesque hills of this historic region.

It is most fitting that a spot so rich in Revolutionary tradition should serve as the background of a group of homes in which the Colonial atmosphere is to be faithfully recreated. Such a colony—a veritable Colonial village, in fact, is about to be founded on a five-hundred-acre tract of the choicest countryside in the Martin's Dam section, six minutes by motor north of Wayne Station.

These single homesteads will occupy sites varying from one and one-half to five acres, and will be built in the true Colonial or the closely related Georgian styles. Some will be of stone, others of brick or clapboard. There will be replicas of Mount Vernon, Monticello and other early American mansions. Absolute fidelity to period detail will be pleasingly blended with the appointments of a luxurious modern home. There will be old Colonial plank floors, forged iron hardware, real Colonial mantels with large white log-burning fireplaces, and quaint period electrical fixtures. These homes will have five and six bedrooms and three baths. Prices range from \$25,000 to \$40,000.

*Here is an ideal location for the man who wants to live in the country, and yet keep in close daily touch with his business. There is thirty-minute express service (no change of cars), on the P. R. R. Main Line from Wayne to Broad Street Station, with eighty trains daily, and a commutation rate of sixteen cents. In addition there are one hundred and thirty-four trains a day on the Philadelphia and Western R. R. and bus service along the entire Main Line.*

*See the large model of each homestead and a most unusual ten-foot painting of this section at the office of*

PHILADELPHIA SUBURBAN-COUNTIES GAS & ELECTRIC COMPANY

Wayne 3 :: Bryn Mawr 327 :: Hilltop 233  
Ardmore 3500 :: Upper Darby: Boulevard 1600

Adjoining this tract is the new "Chester Valley Stables" Riding Academy, from which one may take daily rides over the beautiful countryside and through the Valley Forge Park of 2500 acres. A polo field and steeplechase course will shortly be added to its facilities. The new St. Davids Golf Club is within walking distance to the south, while adjoining this tract to the north is the newly completed Valley Forge Golf Course. Directly east, and practically adjoining, is the "Bob White Farm," home of the Chester Valley Hunt. At Wayne is a new motion picture theater with 1500 seating capacity. Wayne also has numerous fine stores and public, parochial and private schools. Six churches.

The tract is bounded on three sides by State highways, with improved and widened tarvia roads running through the property. All streets are electrically lighted, and there is Springfield water service. Quaint sign posts have been placed throughout the settlement.

One of these homes will soon be completely furnished in the Colonial manner. Plots of from one and one-half to five acres are available for those desiring to build their own homes in this highly restricted Colonial Village.

## TOWNSHIP RULERS PASS 1928 BUDGET

Highway Appropriations Jump \$155,104.31—Plan City Line Repairs.

### LIMIT PARKING SPACE

Appropriations of \$1,093,707.69 for township expenditures in 1928 were approved on first reading of Ordinance 271 at the regular February meeting of the Lower Merion Commission, held in the township building at Ardmore Wednesday night. They show an increase of \$133,786.81 over those of last year.

Next Thursday night was set as the time for a special meeting of the commission when the appropriation and revenue ordinances will be passed on second and final reading. Also passed on first reading was Ordinance 270, providing for a tax rate of 12 mills, as approved by the Quarter Sessions Court at Norristown recently.

Both ordinances were recommended by Chairman William H. Sherwood, of the finance committee, and were adopted by unanimous vote.

Increased expenditures for road building and for sewer construction caused the \$133,786.81 jump in this year's appropriations. For 1928 highway construction in Lower Merion, \$460,698.18 is set aside, which is a \$155,104.31 increase over the \$305,588.88 appropriation for last year's work. Sewer construction in the Indian Creek district and elsewhere caused a \$19,140 boost in this year's health and drainage appropriation, over the \$101,712 figure of last year.

#### Effect Some Savings.

Other increases in the 1928 budget are as follows: Maintenance of fire hydrants, \$1500 more; fire protection and contributions to volunteer companies, \$2000 more; township treasurer for an estimated increase in tax collections, \$1000 more; building regulations committee, \$500 more, and public libraries, contribution account, \$2100 more.

Items in the new budget showing a decrease compared with those of 1927, are: Sinking fund on township bonds, \$21,947.50; interest and loan, \$29,000; highway bonds, 1921 issue, sinking fund, \$2700, and administration expense, \$460.

The same as last year are these items: Highway lighting, sinking fund on sewer bonds, playgrounds, board of health and legal expenses.

Ordinance 271 authorizes supplementary appropriations of \$264,640.45, in addition to the regular budget of \$1,093,707.69. Last year's supplementary appropriations were only \$164,109.55.

The increase can be accounted for by a provision for widening and constructing a permanent road surface and otherwise improving a part of City Line. This cost is to be paid with available funds, as are the other items listed as supplementary appropriations.

Less than last year's supplementary appropriation for a balance on sewer bonds of 1924, is this year's figure of \$23,598.56, which is \$34,325.07 less than that of last year.

The balance in the township treasury January 1 was \$345,225.50, Mr. Sherwood reported, and for the first of February, \$383,391.54.

#### Ban Bala and B. M. Parking.

New districts where no parking will be permitted were named by Chairman A. D. Warnock, of the Police and Fire Committee. They are as follows: West side Summit Grove avenue, east side Bryn Mawr avenue opposite Bryn Mawr Hospital, south side Pennsylvania avenue opposite hospital—all in Bryn Mawr; and both sides of Highland avenue, above Bala avenue, in Bala-Cynwyd.

Removal of a fire hydrant at 43 East Lancaster avenue, Ardmore, was recommended by Commissioner Warnock. He was authorized to have it moved from the middle of the sidewalk either to the curb or back to the building line, where it will be out of the way.

Superintendent of Police C. P. Smith's monthly report was read, showing that 191 arrests had been made, and 374 complaints investigated. He reported that 55 automobile accident cases were handled during the month ending February 9. Installation of a traffic signal light at the intersection of Wynnewood road and Lancaster avenue is under way, according to Mr. Warnock.

A change in the cost of making lateral connections to township sewers is included in a resolution offered by Chairman Henry Delaplaine, of the Health and Drainage Committee, and read in his absence by Andrew MacDonald, vice president of the commis-

## WELFARE BIG JOB, ASSOCIATION TOLD

Speakers at Annual Meeting Emphasize Constructive Health Work.

### OLD OFFICERS RENAMED

Welfare work in this country has entered the billion dollar business class. So members of the Community Health and Civic Association at the annual meeting of that organization held at the Woman's Club, in Ardmore, on Monday night, February 6, were told by Sherman C. Kingsley, of St. Davids, executive secretary of the Philadelphia district of the Welfare Federation.

Mr. Kingsley went on to outline the work which was done last fall along the Main Line to aid the annual Welfare Federation drive, and praised the Community Health and Civic Association, a member of the Federation, for its part in the campaign. For the Main Line districts filled their quotas, whereas a few others did not.

Health work was emphasized at the meeting, which was attended by members of the old Main Line Civic Association, the Main Line Branch of the Montgomery County Tuberculosis Society and similar organizations which amalgamated last spring to form the Community Health and Civic Association. A speaker on the health program was Miss Sophia C. Nelson, who is director of the visiting nurse service of the insurance company, and her talk was preceded by statistics on the visiting nurse service, given by Dr. A. Lovett Dewees.

Dr. Dewees stated that last year only 11 per cent. of the families at service free, though this service is extended gratis to all in the district who cannot pay for it.

Twenty-two per cent. of the families paid for the entire cost of the nursing and eight per cent. paid partially. Other payments came from insurance companies in which the patients were policy holders. Total compensations from these sources on the service in 1926 were \$6000. The Main Line district covered by the association's visiting nurses, Dr. Dewees pointed out, is from West Chester pike to the Schuylkill river, and from City Line to Radnor station. The population in this territory is estimated at from 40,000 to 60,000.

Colonel Samuel Price Wetherill, Jr., chairman of the association's zoning commission, commended the Lower Merion zoning ordinance enacted last year, in a report read by Secretary Alfred C. Maule, and called attention to the movement for a township public parks system.

Another report praised President Robert W. Lesley and Treasurer Richard J. Hamilton for their efforts in securing for the association its present headquarters building on Athens avenue, Ardmore, formerly the clubhouse of the Bullock-Sanderson Post of the American Legion.

All the old officers of the association were re-elected, and new directors were added, following the report of the nomination committee, read by Mrs. W. Logan MacCoy, in the absence of the chairman, Major John Lewis Evans.

The officers, all elected by vote of the secretary were: President, Robert W. Lesley; Vice-presidents, Edward Y. Harishorne, Reverend Andrew Mutch, John S. Clarke, Mrs. Walter B. Stephenson and Major Alfred M. Collins; Treasurer, Richard J. Hamilton; Secretary, Alfred C. Maule and Solicitor W. Logan MacCoy.

The five new directors added to the board were former Assemblyman Benjamin H. Ludlow, Horatio G. Lloyd, Edward Woolman, Horace W. Smedley, and Commissioner A. D. Warnock.

The old directors chosen for another term were: Carl P. Birkinbine, former Bala-Cynwyd Neighborhood Club president; Mrs. R. F. Tuill, of the Bala-Cynwyd Woman's Club; Mrs. Gideon Boericke, Mrs. Alexander Brown, Mrs. Emmott Caldwell, Robert C. Clothier, Dr. A. Lovett Dewees, Dr. Ernest J. Dewees, Charles E. Hires, William H. Hutt, W. D. Lober, Mrs. Harland C. Nicholson, Samuel Rea, Mrs. Harrie F. Reed, Mrs. Herman L. Schwartz, William J. Serrill, Jonathan M. Steere, Colonel Samuel Price Wetherill, Jr., and Charles Wilson.

A report of the year's activities was made by President Lesley at the opening of the meeting.

#### ROBS NARBERTH WOMAN

On charges preferred by Mrs. Catherine C. Wood, of Narberth, George Robbin, an Atlantic City taxicab driver, was held under \$2000 bail for Atlantic County Grand Jury last Tuesday. Mrs. Wood alleged that she was a passenger in Robbin's cab, and upon reaching her hotel discovered that \$3500 worth of jewelry had been stolen. Shore police declare they found the jewelry in Robbin's lodgings at Haddon avenue, Atlantic City.

sion. Effective March 1, charges for connections necessitating the tearing up of dirt roads will be \$30, and of water-bound macadam roads, \$40, as hitherto; but instead of \$50 as formerly, the charge for surface treatment roads and roads other than water-bound macadam will be \$65.

John H. McClatchy, of Cynwyd, was voted a resolution of thanks for his conveyance to the township of property on which the Indian Creek pumping station will stand. His deed, dated August 23, 1927, was presented by the Health and Drainage Committee together with his title insurance policy.

## AUDITORS' REPORT

of Books of Borough of Narberth, as of December 31, 1927.

Narberth, Pa., February 1, 1928.

To the Borough Council of Narberth, Pa.

Gentlemen:

We, the Auditors, hereby certify that we have audited the books of Tax Collectors—Mrs. Abbie N. Diven and Edwin P. Dold—and find condition as of December 31, 1927, as follows:

1926 Taxes	
Amount of Tax Unpaid Dec. 31, 1926.....	\$13,937.46
Total Collections .....	\$11,508.84
Exonerations .....	1,835.82
Liens .....	592.80
Due Treasurer Dec. 31, 1926.....	2,762.54
Collections—1927 .....	\$11,508.84
Commissions .....	230.17
Penalties .....	\$11,278.67
Due Treasurer .....	429.10
Paid Treasurer .....	11,707.77
Due Treasurer .....	\$14,470.31
Paid Treasurer .....	\$14,470.31

1927 Taxes	
Amount of Tax Per Duplicate.....	\$108,128.19
Total Collections .....	\$89,771.64
Discounts .....	3,816.72
Exonerations .....	2,501.00
Due Treasurer .....	\$87,976.02
Paid Treasurer .....	\$87,976.02

Collections .....	\$89,771.44
Commissions .....	1,795.42

Due Treasurer .....	\$87,976.02
Paid Treasurer .....	\$87,976.02

### BOOKS OF BOROUGH TREASURERS DOLD AND WENTZ RECEIPTS

Balance January 1, 1927 .....	\$5,405.20
1926 Taxes .....	\$14,470.31

Auditors.

## WASHINGTON and MT. VERNON

The two are so closely associated in our minds that we seldom think of one without the other.

Washington has been called "The Father of American Home Building," and though he did not build Mt. Vernon, his care and love for it certainly made it Home.

As old as the Nation it stands today on the banks of the Potomac as a magnificent example of frame construction and "Beauty in Wood."

### As for Blood Pressure

Vegetarian prejudices against meat-eating because it is said to cause an abnormal blood pressure have recently been refuted by one health specialist who states that high blood pressure is caused no more by meat than any other food. Dr. Ruth F. Wadsworth is authority for the following:

"If there is an abnormal blood pressure, a doctor will generally be consulted anyway, but if this is neglected the man with a simple hypertension and normal kidneys need not deprive himself of a moderate amount of meat—he must only abstain from an excess of any and all food." (Bradley's health talks on meat—to be continued.)

## Ways and Means

The application for a new bus line granted the Montgomery Bus Company by the Public Service Commission creates another problem for the borough. This proposed new line from Overbrook to Bryn Mawr would run through Narberth on Wynnewood road. It is not known when this is to go into effect, but it must be in operation within two years or the franchise becomes void.

As the report of the highway committee shows, Wynnewood road, if regularly subjected to heavy traffic, will require more immediate and expensive repairs than otherwise would have been the case. It seems only just in view of the fact that the use of Wynnewood road by the busses will cause a more rapid deterioration and consequent expense to the borough, that a share of this unexpected outlay should be borne by the bus company and the county.

It was brought out at Council meeting that the maximum tax that the Public Service Commission allows to be laid on busses is \$50 per vehicle. While this is a comparatively small amount it would be better paid by the carrier than to come out of the pockets of the borough taxpayers. On the lines operating at present through the borough only \$15 per vehicle is collected, and this is due to the foresight of a Councilman several years ago. Narberth is the only town in this section which collects anything in the shape of a tax from the bus company, so it may count itself fortunate.

It was also pointed out that county aid for Wynnewood road is not beyond the bounds of possibility. This was forthcoming several years ago for the paving of Wynnewood avenue to the tunnel. And inasmuch as this new line will be of greater benefit to neighboring localities, skirting the borough as it will, county aid seems all the more feasible.

## LETTERS TO EDITOR

### HERE AND THEREABOUTS

To the Editor of Our Town:

We notice the editor took his pen in hand last week to urge attendance at the Firemen's Banquet on next Thursday evening, and we would like very much to second the motion, and for the very same reason that make us hope that nobody will ever attempt to pull down that tower over the A. & P. store on Haverford avenue. It may be ugly and all that, depending on the eye you cast on it, but if only its architecture is involved, don't let us forget that pretty nearly everything we erected in America 40 years ago, with a few notable exceptions, calls for the exercise of a great tolerance and charity.

Let the tower serve to remind us that then, even as now, men put themselves at the call of their neighbors in distress or danger, day and night, and on slight notice hurried forth from their work or broken slumber to provide valiant and voluntary service whenever fire broke out amongst us. With the advance of high pressure prosperity, where everything seems to be given a money value and when, it is said, only the fool is exemplary, it is decidedly a leveling influence when good fellows, pressed like all of us for their own livelihood, are impelled to give expression, in a very practical manner, to the important fact that there is a great deal more use of being a man than is implied by a selfish application to the narrow groove of one's own particular specialty. They show forth that it is a pretty mediocre sort of existence which can only find time for its own requirements, and we rejoice in their honest hearts and hides, and for the fine example they show us.

The coming affair of itself will no doubt be just a simple and jolly occasion, with a good time had by all, but in its essence it will mean a very great deal and no male citizen with the right idea should miss it. Therefore, get your ticket while you can, and afford an additional appreciation by marching yourself around to the fire house for it. And don't stay away because you're not "acquainted"—you will be long before the soup is sung.

THE SPECTATOR.

## EXPLAINS ANNEXATION PLAN

To the Editor of Our Town:

The advertisement, "Better Schools—Lower Taxes" appearing in this issue as the "opening gun" of a campaign being undertaken by a number of citizens to break the chain which proscribes the one square mile of Lower Merion township known politically as the borough of Narberth. I have taken the initial leadership in this campaign in compliance with numerous and repeated requests of a number of my fellow-townsmen. For many years a good number of Narberth parents have felt keenly the disadvantage of our political isolation in that we are thereby deprived the superior school advantages afforded by the township. There was at first no particular thought of attempting the dissolution of the borough government but a comparative study indicates that Narberth's political isolation is from an economic point of view a bigger "White Elephant" than the separate schools. And we must remember that the separate borough is what necessitates the separate schools so that the dissolution of the borough automatically puts us in the township school district. I myself, nor anyone associated with me has any criticism to offer of the administration of the borough or school affairs; it is the economic and scholastic folly of being obliged to duplicate on a small scale the functions of community government within the boundaries of another local governmental organization. Our school directors and our council are not to blame for this accident. Neither is this a reflection on those who brought this borough into being—there were undoubtedly good and sufficient reasons for a borough charter then, but the rapid and substantial development of our township has rendered the separate borough government a useless function, patently an extravagance from all economic line of reasoning. It is our bounden duty to keep taxes as low as is consistent with good schools, and adequate community utilities. Every extra dollar you tax a man cuts that dollar from his spending budget and by the same token when you reduce the tax bill you release money for other expenditure, thus adding to the prosperity of the country, State and nation. As we study our local situation we cannot help but wonder at the citizens allowing, as the years go by, such obvious duplication of expenses as a separate "Director of Public Works" for Narberth's one square mile. Again from the borough treasurer's report as of December 31, 1926, and as published in Our Town on February 26, 1927, such items as general council expenses \$4218.78. Going over this report one can pick out over \$10,000 of tax money going out for items obviously duplications of township bureaus.

## Better Schools - Lower Taxes

Do you  
Know  
That  
?

This  
Is the  
Fact!

Investigate

The Lower Merion public schools rank highest among those of the State—peradventure the nation.

Adherence to a Borough government prevents the residents of the one square mile of Lower Merion township known as Narberth Borough from utilizing these schools, not withstanding the fact that these school buildings are now nearer to many of them than the Borough buildings.

The taxpayers of this area pays 60% more in taxes than the resident of the township living outside of the proscribed area.

The assessed valuation of taxable property in Narberth Borough was in 1922—\$3,363,300.00. By 1927 it had been increased to \$4,873,800.00. Hand in hand with this increase of assessment Borough taxes were jumped from 16 to 24 mills—50%. The township tax rate is 12 mills. The Narberth Borough school tax rate is 12 mills. The township school tax rate is 15 mills and they are building new schools out of this tax income without incurring debt.

The Narberth Borough man with a \$10,000 (quick sale value) home, paid in Borough, school and county taxes for 1927, \$164.01. His township neighbor, possibly just across the street, with same sale value home, paid in township, school and county taxes, \$85.31. The Borough man got his ashes removed from the yard out of this \$164.01 while his township neighbor paid \$12 to have his ashes removed from the basement. On the same budget our township man's wife, with all taxes and ash disposal costs paid, had an extra \$66.70 to spend.

The township man's children went to a modern fireproof school with an average class enrollment of 20 to a school, with a supervised lunchroom up in the sunlight. A school where discipline is maintained without recourse to rod or rule.

To afford his child the same school advantages the Borough man would have to pay \$100 tuition because he lived on the wrong side of the street. Now the street these people live on is paved, has cement sidewalks, both houses are policed by the same police force, have the same water, gas, electricity, telephone and transportation service. They go to the same church and the same movie house.

Visit the Borough Schools, inspect our educational plant equipment then visit the nearby township schools. Inspect its equipment. Talk to your tax-paying township-residing friend; compare his tax bill with your own.

If after this investigation you decide that the Narberth Borough residents should end the career of this economic white elephant who had, years ago, outlived his usefulness, just drop a note to the undersigned and register your viewpoint. Just as soon as sufficient public opinion is registered on this subject the machinery for its accomplishment will be provided. It is hoped that this can be accomplished before November 1, 1928.

Better Schools---Lower Taxes Committee

A. W. Burns, Acting Chairman.

When our Federal Government some five years ago announced the possibility of less than a 1 per cent. the country went wild with jubilation. Here we have at our very doorstep an opportunity to cut our tax bills almost in half. It will require some time, work and tolerance for the usual retaliatory hokus pokus that accompanies such a campaign, but anyway here's our starting point. Let's go.

A. W. BURNS.

## The FIRESIDE

CONTINUED FROM PAGE ONE

Mr. and Mrs. Burt Powell, of Woodbine avenue, spent the week-end in Pittsburgh, Pa.

Miss M. Evelyn Stout gave a delightful valentine party at her home on Hampden avenue Tuesday evening. This party was a reunion of all the members of an old church guild, and in spite of the rain, all the 17 members of the guild were present.

Miss Betty Hubbell, of Villanova, formerly of Narberth, entertained the several members of the senior class at Lower Merion last Saturday night. Her guests were the Misses Patience Wohler, Honora Snyder, Mildred Odiorne, Anne Speed, Virginia Douglass, Ella Rose, Virginia Denman, Blanche Morris, Betty Carlisle, Patty Sellers, Gretta Gibbons, Laura Winters, Betty Swing and Hope Burlingame. Miss Hubbell is also entertaining this evening at her home. Her guests tonight will include several of her friends in the junior class at Lower Merion.

Miss Katherine Jane Miller, of 311 North Narberth avenue, entertained the members of her Girls' Club and several other friends at her home last Friday evening. Her guests included the Misses Jane Nash, Muriel White, Kathryn Mege, Bobby Staley, Elizabeth Mege, the Messrs. Eddie Fittipaldi, Ned Bartlett, Ray Jones, Hugh Speed, Tom Murray, Keith Monnington and Drew O'Keefe.

Miss Miller also entertained at a movie party at the Narberth Theater last evening. Those present were the Misses Jane Nash, Gerry Nash, Helen Staley, Bobby Staley, Elizabeth Mege, Kathryn Mege, Emily Titus, Anne Van Auker, Kitty Timm, Regina Chappatte, Jane Nash, Helen Devaney, Virginia Cabrey, Anne Chalfont, Mary Clark, Mary Michener, Florence

Moon, Ruth Suplec, Harriet Marsh, Ernestine Wall, Peggy Walzer, Eva Weiss, Edith Patton and Virginia Abel. This party was also in celebration of Miss Miller's birthday.

Mrs. H. W. Pfeffer and her small son, John, of 202 Barrie road, left Thursday to spend the week-end in Atlantic City.

Miss Jeanette Lent, of Avon road, entertained several of her young friends at a Valentine party Tuesday afternoon.

The Misses Betty Cook, Rosalie Shaw, Honora Snyder and Patience Wohler were among the Narberth girls who attended the girls' Hi-Y banquet at the Radnor High School Valentine evening.

Mrs. M. M. Livingston, Mrs. William Bartlett, Mrs. Neal C. Anderson and Mrs. Jesse S. Harris spent last week-end in Atlantic City.

Miss Anne Hargrave, of Helena, Ark., is the week-end guest of Mrs. Hugh B. Speed, of 127 Chestnut avenue.

Miss Elizabeth Maguire, of Grayling avenue, and Miss Sophia Miesen, of Merion avenue, left last night for several days' trip to Montreal, Canada.

Mrs. George B. Suplec, of 315 Woodside avenue, and her sister, Miss Jeanette Turner, are motoring to Atlanta, Ga., to visit their brother, stopping at several of the larger cities on the way down.

Miss Peggy Campbell, of South Iona avenue, spent the last week-end in New York City.

Mr. and Mrs. John Weigel, of Gilpin road, Wynnewood, announce the engagement of their daughter, Wilhelmina, to Mr. Everett B. Davis Sutherland, a Penn State graduate, of Logan.

## LUTHERAN DINNER IS BIG SUCCESS

Dr. Carl Schmidt, of U. of P. Medical School, Is One of Speakers.

The dinner tendered the men of Holy Trinity and their friends by the women of the church on Wednesday was a huge success. At 6.45 the 45 men surrounded the tables decorated with the national colors and after the blessing had been asked by Rev. Kanzinger, of Ardmore, enjoyed the fine dinner. During and after the dinner Mr. Horace Entriken led in group singing and also himself entertained nobly with several vocal solos. Mrs. H. W. Griest rendered a number of creditable piano solos.

Pastor Senft, acting as toastmaster, called on Messrs. Hankey, Schlichter, Kanzinger and Shindle for three-minute speeches, to which they responded with appropriate remarks.

The main speaker of the evening, Dr. Carl Schmidt, of the medical school of the University of Pennsylvania, was then introduced and gave some interesting facts gleaned from his experiences with Chinese medicines while doing research work in China recently. The fact was brought out that some of the most recent medical discoveries here had been known and partially used in China as early as 3100 B. C. Dr. Schmidt was asked a number of questions by the interested group concerning Chinese life, conditions, etc.

After a rising vote of thanks was extended to all who had helped to make the evening a success, steps were taken to continue meetings by ordering a committee appointed to arrange a program for next month.

## D. A. R. to Attend

The Doctor Benjamin Rush Chapter, D. A. R., held a meeting at the home of Mrs. Stewart Anderson, 104 Avon road, Narberth, on Saturday, February 4.

Ten delegates were elected to attend the Continental Congress to be held in Washington the week of April 16. Following the business meeting there was a program commemorating the birthday anniversaries of Washington and Lincoln.

Mrs. S. Z. Shope gave a resume of the National Defense Conference held in Washington last month. It is planned to have a National Defense program at the next meeting of the chapter, April 21, at which Mrs. Dorothy Evans Capp, State National Defense Chairman, will speak.

A patriotic program will be given by the Boy and Girl Scouts some evening during March.

On Thursday, March 1, the chapter will hold a movie benefit at the Narberth Theater featuring the "Dress Parade." Tickets may be procured from the chairman, Mrs. Robert Nash; Mrs. Joseph Miller or from any member of the D. A. R.

## CLASSIFIED ADVERTISEMENTS

FOR RENT—Wesley apartments, Wayne. Modern apartment, 7 rooms and bath, janitor service. Three minutes to station. 80 trains daily. \$85 per month. Garage available. C. M. Agnew, Wayne 1271 and 732-W.

# A PAGE FOR NARBERTH'S CHURCHES

## The Narberth Presbyterian Church

The home of the Presbyterian Church bounded by Grayling, Windsor and Hampden avenues. A fire wiped out the first building, the present one being built in 1879 and enlarged in 1920 and in 1925.

## Presbyterian Church in Flourishing Condition--Has 579 Members

Rev. John Van Ness, Pastor Since 1910, Is Dean of Local Ministers.

The Narberth Presbyterian Church was organized June 2, 1891, by a committee from the Presbytery of Philadelphia North, at a meeting held at the residence of the late Charles E. Kreamer, on Forest avenue. The meeting was moderated by Rev. Charles R. Erdman, then the pastor of the Overbrook Presbyterian Church and now professor in Princeton Theological Seminary and recently moderator of the General Assembly. There were nine charter members, none of whom is with us today. At the first meeting the following officers were elected: Elders, Freeman S. Belcher and George W. Yardley; Trustees, J. A. Simpson, C. E. Kreamer, Joseph Mullineaux, Jr., Freeman S. Belcher and Edward Forsythe. All these names are familiar to readers of this paper who were residents of Narberth in its early days.

July 6, 1891, the charter of the church was secured and duly recorded. Two lots facing on Windsor avenue, between Grayling and Hampden avenues, were secured as a church site and a modest house of worship was erected at a cost of \$3600 and dedicated on November 24, 1891. A disastrous fire on January 11, 1896 completely destroyed this building, but not one whit dismayed by this catastrophe, the little congregation erected a temporary building in the brief space of one week and regular services were resumed therein on January 19, 1896.

On January 28, 1897, the corner stone of the present substantial stone building was laid and the building was completed the following September at a cost of about \$20,000. Considerable additions were made to this building in 1920, for the accommodation of the growing Bible school. Early in 1924 the trustees of the church, realizing the necessity of providing still larger facilities for the rapidly enlarging church and school, appointed a committee to consider ways and means of still increasing the size of the building. A financial campaign was most successfully conducted by Rev. A. F. McGrath, D. D., and sufficient contributions and pledges were made on one Sunday to warrant the committee to proceed with plans eventually costing \$90,000. The church auditorium was enlarged to seat 500 and a Sunday school house was erected, connected with the main building, with accommodations for 1000. There are separate rooms for the various departments, a large hall seating 600 and which may be used as a gymnasium and social room. There is a most complete kitchen, dressing rooms with shower baths and a complete heating system with large furnace room. The enlarged building was constructed by Mr. John S. Ketcham, builder, and the plans drawn by Mr. O. H. Graves, architect, both of whom are members of this church. A memorable dedication service was held on Sunday, December 20, 1925.

For many months during the early history of the church, the pulpit was supplied by students from Princeton Theological Seminary, Rev. Harry W. Haring and Rev. S. R. McClements being the most frequent preachers. On November 7, 1892, Rev. W. Y. Brown, D. D., was elected the first pastor and continued with the church until June, 1896. His successor was Rev. L. Y. Graham, Jr., who was installed as pastor on December 22, 1896.

His pastorate covered over 13 years, or until June, 1910. On November 22, 1910, the present pastor Rev. John Van Ness, was installed and is now honored as the "Dean" of Narberth pastors, having been on the field longer than any other of our ministers. During all these years pastor and people have rejoiced together in a very happy and encouraging work that has grown from a membership of about 125 to nearly 600 and from a Bible school of small proportions to what is said to be the largest school along the "Main Line."

The church is now very completely organized with large and flourishing societies for men, women, and children. There are 30 men on the official boards, 12 elders, nine deacons and nine trustees. The present church membership is 579, with the prospect of a large accession on the coming Easter. The Bible school is under the efficient superintendency of Mr. Joseph H. McClay, assisted by a loyal staff of 66 officers and teachers. The present enrollment is 552 members.

This church believes in stewardship, both of life and property. There are many tithers among the members. During this last year \$7485 was contributed to missions and benevolences, and \$27,341 to the church's own local work. It is confidently hoped and expected that this important institution will press on to still greater achievements in the days to come. All not otherwise affiliated are most cordially invited to unite in its worship and work. And may it all be to the honor of Almighty God, to whom be all the glory.

## Church Notes

### The Presbyterian Church.

Rev. John Van Ness, Pastor.  
9.45 A. M.—Bible School. All departments.  
11.00 A. M.—Morning worship. Sermon theme: "What is the Church and Why Join It?"  
1.00 A. M.—Junior Church. Mrs. A. S. Digby, superintendent.  
4.00 P. M.—Organization of Communicants' Class. Mr. Van Ness will deliver an address on the "History, Organization and Doctrines of the Church." Members of the congregation are cordially invited.  
6.45 P. M.—Junior Endeavor meeting, directed by Miss Furber.  
6.45 P. M.—Joint Meeting of Intermediate and Senior Endeavors. Leader, Theodore Fowles. Subject: "Choosing a Life's Partner." Mrs. Jennie A. Griffith will bring an important message on this subject.  
7.45 P. M.—Evening worship. Sermon theme: "Is Following Christ Worth the Cost?"

Meetings for the week:  
Tuesday, 8 P. M.—Community Bible Class taught by Miss Harrison.  
Wednesday, 8 P. M.—Prayer and Missionary Meeting. Mrs. F. C. Torrey will bring the message.  
Friday, 2.30 P. M.—Observation of Interdenominational Day of Prayer. Union meeting in this church. All invited.  
Friday, 8 P. M.—"Kitchen Shower," conducted by the Women's Auxiliary.

### All Saints Church

Wynnewood, Pa.  
Rev. Gibson Bell, Pastor.  
8.00 A. M.—Holy Communion.  
10.00 A. M.—Church School.  
11.00 A. M.—Litany and Ante-Communion. Sermon by rector, Anthem, "Blessed Jesu," Dvorak. Choir of 30 trained voices.  
7.00 P. M.—Young People's Fellowship.  
8.00 P. M.—Evening Prayer.

### First Church of Christ, Scientist.

Ardmore Avenue, Ardmore, Pa.  
11 A. M.—Sunday services.  
11 A. M.—Sunday school services.  
Wednesday evening testimonial meeting, 8 o'clock.  
Reading Room, 19 West Lancaster avenue, open week days from 10.30 to 4.30. Wednesday evenings from 9 to

9.45.  
The subject for the Bible lesson sermon for Sunday, February 19, is "Mind."

### Baptist Church of the Evangel.

Robert E. Keighton, Minister.  
9.45 A. M.—Church School.  
11.00 A. M.—Morning worship. Sermon: "Where the Treasure Is." Continuing the sermons repeated by popular vote, the pastor presents this patriotic thought.

7.45 P. M.—Young People's Vespers. Here is something different! Instead of the regular Young People's service at 7 o'clock and then an evening worship service, we are having one big service especially for the young people, although everyone is invited. This will be an informal occasion for the expression of these young folks.

Wednesday, February 22:  
8.00 P. M.—Prayer Service. Topic:

"How Can the Church Deal With Negative Unrighteousness?" This discussion concludes our consideration of "The Lost Art of Church Discipline."

Saturday, February 25:  
8.00 P. M.—The girls of the Young People's Department of the Church School will present a play entitled "Jezebel." This will be preceded by a musical program. The admission is by silver offering. Everyone is invited.

### Methodist Episcopal Church.

Rev. W. Sheridan Dawson, Minister.  
9.45 A. M.—Bible School. Hon. F. W. Stites, superintendent.

11.00 A. M.—Morning worship. Theme: "The Miracle of Doom." Anthem, "O Sing Unto the Lord," by Boch. Soprano Solo, "I Am Far From Home."

6.45 P. M.—Epworth League devotional meeting.

7.45 P. M.—Evening worship. Theme: "Taking Sides." Anthem, "Still, Still With Thee," by Tease. Quartet, "Till My Heart," by Gabriel. Prayer and Praise Service on Wednesday evening at 8 o'clock. The Probationers' Class will meet on Wednesday evening at 7.30 o'clock at the church.

A Council of Home Missions of the Methodist Episcopal Church, for the Philadelphia area, will be held on Monday evening, February 20, at 7.30 o'clock; Tuesday, February 21, at 9 A. M., 2 P. M. and 7.30 P. M., and Wednesday, February 22, at 9 A. M. and 2 P. M., in the Arch Street Episcopal Church.

Excellent speakers are on the program for each day and special music will be furnished by the male quartet of Morgan College, Baltimore, Md.

### Holy Trinity Lutheran Church.

9.45 A. M.—Bible School.

11.00 A. M.—The Service. Theme: "First Sight."  
6.45 P. M.—Senior and Junior Leagues.

7.45 P. M.—The Vesper Service. Rev. W. C. Ney, of Brookline, will preach.

Tuesday, 2.30 P. M.—Women's Missionary Society meets at the home of Mrs. Albert, 302 Dudley avenue. Confirmation Class, Friday, 4.45. Friday, 4.15—Junior Choir. Friday, 7.00—Intermediate Choir. Friday, 8.00—Senior Choir.

The second card party of the Young People's Fellowship of All Saints' Church will be held at Egnore's house, on Saturday evening, February 18, at 8 o'clock.

At the last meeting the Fellowship was entertained by Barnard Mellor, boy soprano, accompanied by Rosalind Mellor, Fred Egnore, pianist, and William Kavanaugh and Ray Rudrauff, who staged a two-man debate.

"WHAT IS THE CHURCH AND WHY JOIN IT?"

This is the subject of the sermon to be delivered by the Minister tomorrow morning in the

## Narberth Presbyterian Church

It is a question that men have a right to ask and which the Church should gladly answer in order to justify its existence.

The Church of Jesus Christ is the most powerful organization in the world. Its membership in the United States alone totals forty-seven millions in addition to almost an equal number of adherents. It is the mightiest, most pervasive, most persistent and most beneficial force in our civilization. It affects directly or indirectly all human activities and interests. It is the Body of Christ on earth in which He dwells and through which He presses on to the ultimate triumph of righteousness.

The Church is devoted to the temporal and eternal interests of mankind. "Every corner-stone it lays it lays for humanity; every temple it opens, it opens to the world; every altar it establishes is for the salvation of souls. Its spires point heavenward." Its message is that of pardon and peace and power and purity.

Who is there that should not enter into fellowship with such a program? Who should not spring to the call of our Imperial Leader with something of an imperial consciousness and fight in the conflict against sin and for righteousness, as soldiers absolutely certain of victory and inheritors of the Kingdom of God?

7 P. M.—Young People's Fellowship.

8 P. M.—Evening Prayer.

# SOLONS RAISE RATE

CONTINUED FROM PAGE ONE

sonal taxes and other sources which are not included in these figures.

The rate was kited only one mill, but this boost based on the previous three-mill rate represented a raise of 33 1-3 per cent.

The action of the county board was deplored here as untimely when news of it became known Wednesday.

"I am sorry to hear the rate was raised," said President Frank H. Sykes, of the Lower Merion Commission, commenting on the matter after a meeting of the township board.

"The rise was untimely and unfair to Lower Merion," said Township Treasurer Peter C. Hess, leader of the Lower Merion Republican organization. "Of course, the county commissioners know what their income is, and what their budget for 1928 calls for, but I still feel that this was not the time to raise the county rate," he continued. "It is unjust to Lower Merion, particularly in view of the fact that the assessments had already been raised here in the triennial to provide more tax money."

The county commissioners explained their action by stating more money was needed to pay for the proposed million-dollar annex to the county court house, and also to pay for road work and grade crossing eliminations which have been ordered by the Public Service Commission. They also claimed that the county this year would receive less money from the State on its four-mill tax this year.

The rise was protested last week when it was announced that it would probably be made, by Lower Merion leaders and by County Controller Irwin. Mr. Irwin stated that no rise would be necessary to pay for the court house annex as economies could be initiated in county expenditures to take care of that. He also pointed to money on hand in the county treasury, and still more money which would be available under increased assessments as arguments against the boost.

A meeting to discuss the rise of the county rate was held last Friday at Norristown by the County League of Women Voters. The county commissioners were invited to attend and present their side, but did not, and Controller Irwin was asked to speak about his estimates showing the rise unnecessary, but was unable to attend because of another engagement. In the absence of these, Lower Merion Treasurer Peter C. Hess was the principal speaker.

He made it plain that he was representing neither side, the commissioners nor the controller, but was speaking from a purely personal standpoint.

## Build Houses Near Shrine

The fact that W. Herbert Burk, D. D., was given the Edward Bok prize of \$10,000 last week for the work which he has done on the Memorial Chapel at Valley Forge has brought forth the question as to what is going to be done with the tremendous territory which borders the park? It is now announced that the three or four thousand acres which form the gateway into the magnificent 2500-acre Valley Forge Park have been bought by private funds without any help from the State of Pennsylvania, and will be restricted so thoroughly that business enterprises can find no foothold.

This ground surrounding Valley Forge Park has been divided into acre-and-a-half to five-acre plots, and houses to harmonize with the traditions of 150 years ago will be built by individual owners. In that way, not only the park itself but the approaches to it will fittingly reflect the old Colonial spirit.

The proposed cathedral there will accommodate 5000 persons and is to be patterned after the York Minster in England. Four State roads will lead to this shrine of the American people—from the south the Lincoln highway, north on Old Eagle School road, from the west by way of Swedesford road—from the east by way of Montgomery avenue which runs out along the Main Line of the Pennsylvania Railroad from the north by way of the State road from Norristown.

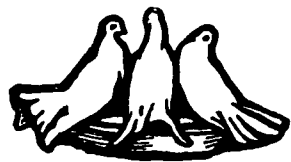

For three miles along any of these roads, before you approach Valley Forge Park there are some 3500 acres of land which have been bought by these private.

## To List Detours

Mr. Joseph R. Murphy, in charge of the Main Line office of the Keystone Automobile Club, is compiling information for motorists in this community with regard to local detours. Within the next several weeks construction work will be resumed and motorists will be able to inform themselves as to all detours through this service.

In a letter today addressed to the Highway Departments of the Township Commissioners of Lower Merion, Haverford and Radnor, Mr. Murphy has offered the facilities of the Club's Sign Posting Department to adequately mark these roads. This service was instituted at the request of many local motorists who have been greatly inconvenienced due to the lack of proper detour signs.

This service, which will extend over all the Main Line territory, is available at the office of the Keystone Automobile Club, Rittenhouse Arcade, Ardmore.

## What Do You Expect From Advertising?

Mrs. Burtell has noticed your advertisement in this paper. Having briefly noted the merits of your tires, she passes on to the social notes.

The next week she sees your "ad" again, but still she does not need tires.

Four months later her chauffeur reports a blow-out and another very thin shoe.

Mrs. Burtell picks up the paper, and instantly turns to your advertisement.

"Robert," she says, "don't bother to go in town for the new tires. Go over to the Main Line Tire Store and get two new ones with tubes. It isn't good to put old tubes in new tires, is it? Call these people first and I'll let you take a check with you."

## THIS IS HOW ADVERTISING WORKS AND HOW IT PAYS

These same points apply to the advertising of all things from tires to dresses and groceries. The buyer will not rush into your place of business because you advertise once, but when he does need you and can do business with you he will know you because you have been talking to him in this paper.

CONVENIENT

FRIENDLY

"CO-OPERATION CUTS COST"

A Good Argument from an Independent Grocer

Have you (the public) ever stopped to consider where your money goes when you spend it in chain stores?  
It leaves the neighborhood and never returns.  
Would a chain store spend the money it takes in in the neighborhood? No.  
Would a chain store help support any neighborhood association? No.  
Would it help to better the neighborhood or help fight to keep undesirable people out?  
No.

Gold Medals  
A Proof of Quality

## SUPPLEE-WILLS-JONES

Pioneers in Every Proven Safeguard

What are the newer and better shrubs that can be planted about the garden and around the house? Our place looks bare and we think that a house looks so much more livable and so much more inhabited when it is planted.

Right you are, Mrs. Neighbor. Foundation plantings do make the house look as if it had been built more than six months ago and tend to soften the straight lines and "tie the house to the ground."

Shall we use all evergreens? Or shall we use part evergreens, part broad-leaved evergreens that flower or shall we use deciduous shrubs that flower in the spring and shed their leaves in the winter?

The matter of cost enters into this selection and we can range the groups into price ranges and place the evergreens first being slow growing and therefore expensive for the nurseryman to bring to a salable size.

For background, two feet from the wall, we will select red cedar if we want a low-priced evergreen and do not mind its turning brown in the winter, or if we are wiser we will buy a little smaller size in pyramidal arbor vitae (not American Arbor Vitae, or white cedar, which costs less and also turns brown in winter). Any of these will cost about \$1.25 a foot, the pyramidal or evergreen, arbor vitae just a few cents more, but well worth the difference.

For shady places the hemlock, either Canadian or Carolina, is the safest bet. Here also the broad-leaved evergreens such as rhododendron, mountain laurel or azaleas will thrive if given acid soil, although they will bloom better if given half shade.

For planting in front of the tall pyramids there is a wide range of retinoparas, firs, junipers or cedars, spruces, pines, yews and arbor vitae to be chosen for their color, size and form.

For the foreground or edge of the foundation planting we will choose mugho pine or juniper pfitzeriana both of which are low and spreading—not forgetting a few small plants of azalea hinodgeri to give color.

With considerably less money to invest we can make a creditable showing with the new Philadelphia Virginia, or orange blossom, white and fragrant in early June, Spirea Van Houttei, also June blooming and the most floriferous shrub of all, which by the way should be given a six-foot circle for itself, and for real early the improved Forsythia-Intermedia Spectabile. Let us add a plant of Flowering Almond for pink in May and give plenty of space to Wiegelia Eva Rathke for flowering through the summer.

To wind up the procession will depend on a plant of Vitex Macrophylla with its lavender-blue spikes from August to October.

Just one more flowering shrub and that will be Abelia Grandiflora, blooms pinkish white all summer, a small shrub with pretty glossy leaves, sometimes partly frozen pack in winter, if in an exposed place, but always more than worth while.

### TENNIS CLUB HOLDS IMPORTANT MEETING

Officers Elected; Constitution and By-Laws Adopted.

At an important meeting on Friday, February 10, the corporate character of the new Narberth Tennis Association, Incorporated, was accepted by the members.

The following officers of the new corporation were elected to serve until October, 1928:

President, John B. Wine; Vice-President, H. Ronald Paige; Secretary, William J. Sommer; Treasurer, Arthur C. Staples.

The following trustees were elected: Carl B. Metzger, for the term of one year; W. D. R. Evans, for two years; F. G. Warner, for three years; Edwin P. Dold, for four years, and Walter Cowin, for five years.

J. G. Allen and W. J. Kirkpatrick were elected to the Board of Governors.

New constitution and by-laws were also adopted by the new organization.

The dues for the 1928 season will be \$10 for boys under 18 years, \$10 for girls and women, and \$30 for boys over 18 and men. These dues include the tax payable to the U. S. Government. An initiation fee of \$10 will be payable by boys over 18 and men who join the club as new members during the 1928 season.

### TALKS ON CREDITS

Rotarians Near 13 Years' Loss Exceeded Fire Total.

Charles C. Cooke, representative of the Creditors' Service Bureau, was speaker at the Tuesday meeting of the Bala-Cynwyd-Narberth Rotary Club. He told the members of a plan to issue a book listing all Main Line families, together with their credit standing.

He preceded his explanation of the plan by a brief review of the credit losses in the country, stating that for 13 years they have exceeded those caused by fire. He

asked the club for co-operation in issuing the credit book, a matter which was referred to the business methods committee, of which Ralph S. Dunne is chairman.

After the meeting, 10 of the members adjourned to the alleys to warm up for the bowling match with the Ardmore club scheduled for next month. William H. Decker and Hervey C. Keim led the scoring, with other members, somewhat rusty, promising to practice up.

### SCHOOL NOTES

Another enjoyable program by the New York Symphony Orchestra was given on Friday, February 17.

Two honor pupils, Virginia Abel and Margaret MacGuffin, are entitled to first honors for the third period, instead of second honors as listed last week.

Eleven pupils from the primary grades were taken to Dr. Diller's dental clinic on Monday by Miss Kevorkian. Mrs. Van Auken contributed the use of her car for this occasion.

On Friday, February 10 and February 17, the Fifth Grade B and Fifth Grade A, respectively, made a trip to the Abbott Dairies plant in Philadelphia.

### Volley Ball.

The inter-color volley ball tournament was continued on Wednesday with a game between the VIII Reds and VII Grays. After a spirited contest the Reds won by the following scores: 15-8, 8-15, 15-10. The score of games to date follows:

	W.	L.	TP.
VIII Reds	2	1	1
VIII Grays	0	2	2
VII Reds (1)	2	0	2
VII Grays (1)	1	2	1
VII Red (2)	0	1	0
VII Gray (2)	1	0	0
Totals—			
Reds	4	2	2
Grays	2	4	2

### CROSSNORE SCHOOL MAN TO SPEAK AT CLUB

Women Will Hear of Work in South.

Members and friends of the Women's Community Club of Narberth are looking forward to the open meeting on Tuesday, February 21, when Mr. McCoy Franklin, of the Crossnore School, Crossnore, N. C., will tell of the works and aims of the school for mountain whites, typical of many other schools that are doing so much to help the native Americans, who for generations have been isolated and neglected among the valleys and peaks of the Appalachians.

Mr. Franklin loves the woods, the dawn and sunset, the rills, flowers and birds, and will talk of these as well as his human friends. Mrs. J. A. Hongler will act as hostess to serve tea, while the Welfare Committee will have on sale cakes, pies and other desserts. It is hoped that a large attendance will reward Mr. Franklin's kindness in coming to speak to the club.

If any housewife feels that she lacks inspiration for her calling or that the job is totally lacking in thrills, let her attend one of Mrs. Anna Scott's Wednesday afternoon talks and find herself eager to try some new salad or sandwich even after a generation of service in the kitchen.

The Home Economics Class of the Women's Community Club went to strong to the Inquirer Building last Wednesday and were unanimous in their opinion that "anyone who didn't go certainly missed a treat."

Ushered into a large well-lighted-by-daylight auditorium on the sixth floor of the Elverson Building, they found themselves escorted to reserved front seats among 850 women. Shortly appeared Mrs. Scott, bright of eye, white-haired, brisk, capable and wished the audience a "good afternoon." From croquettes to sandwiches and salads and on to dessert Mrs. Scott demonstrated as she talked for an hour, creating appetizing looking and wholesome dishes, broadcasting all the while questions, specific and general, were asked and cheerfully answered. Each woman on entering had been given a number on a small slip. A youngster from the audience drew numbers at random and the lucky ones received prizes.

### HIGHWAY REPORT

CONTINUED FROM THE FIRST PAGE  
tinue the improvement to Wynnewood avenue. This section of Haverford avenue was included in the enabling ordinance, which was passed in connection with the \$75,000 street improvement bond issue of 1925 and is thereby eligible to be paved out of funds from that bond issue, which are still available.

### AUXILIARY TO MEET

The regular monthly meeting of American Legion Auxiliary, Harold D. Speakman, Post 356, will be held Tuesday evening, February 21, in legion room of Community Building at 8 o'clock.

The Narberth Presbyterians will play the Narberth Methodists in basketball at the Narberth Presbyterian Church on Tuesday.

Come one, come all to the big cake sale at Dando's given by the Campfire Girls of Narberth. Do not forget it because it is for the benefit of the camp fund. The camp firebug.

### COUNCIL MEETS

CONTINUED FROM THE FIRST PAGE

cally completed and Council will consider in the meantime what course would be the best to take.

The street widening ordinance, it seems, is not quite dead. The public meeting knocked it out for a long count but it revived a bit at the meeting of council. It is officially shelved in committee now, but could be brought out at the next meeting and passed at its second and third readings.

President Leitch assured Mr. Nash, who was representing the opinion of the public hearing and wished the ordinance to be officially scrapped, that council would take no such advantage of the taxpayers and they would receive plenty of notice if any further action was contemplated.

The shelving of such an ordinance was vigorously objected to by A. E. Wohler. He claimed that wider streets were a necessity for the future and that we must act with an eye to the claims of the Narberth that may be and not stifle its growth.

### ANSWER PARENTS QUESTIONS

CONTINUED FROM THE FIRST PAGE

students' failures in school, and an emphatic assertion of the teacher's responsibility for stimulating the interest of the pupil as an incentive to effort.

Both speakers referred at some length to the relation of college entrance requirements to high school work, and emphasized the importance of affording to all students—whether they are preparing for higher education and professional careers, or are going into business or industrial occupations—the fullest possible opportunity for broad and thorough training for life as well as for vocational success.

The frankness and good humor with which the speakers responded to questions implying some doubts or criticisms as well as to general questions, won the deep interest and the warm appreciation of all who were present.

The meeting was also marked by a birthday party, celebrating the first anniversary of the local Mothers' Council, as well as the thirty-first birthday of the National Congress of Parents and Teachers. Huge cakes bearing 31 lighted candles for the national organization stood beside a more modest one, carrying a single birthday light for the local Council. Mrs. G. E. Weitsner, of Germantown, a recently retired member of the Board of Directors of

the State Association, who spoke at the opening meeting of the Narberth Council one year ago, spoke briefly of the history and accomplishments of the national movement, and Mrs. F. C. Bates recounted the interesting events in the short career of the local organization. Mrs. A. E. Wohler reported upon the recent meeting of the Montgomery County Parents and Teachers' Association, held at Pottstown on February 4, and attended by several Narberth citizens. The Narberth Council received honorable mention and was a close second choice, in the prize contest for the best scrap book covering the work of the past year.

So great was the overflow from the library, where the birthday celebration was held, that Mrs. R. G. Aungst, who presided, found it necessary to adjourn the meeting to the school auditorium on the second floor. Afterward a number of members and guests returned to the library, to participate in the cake sale, managed by Mrs. J. H. Perry, local secretary, the proceeds being devoted to the extension work of the local Council and the State organization.
